

Spring series `10 – The life you’ve always wanted! (Part II)

Through the Spring of this year, we shall be continuing to look at what it means to live “life in all its fullness”. We shall be using the book of the above title as a basis for our fortnightly gatherings...

- To build deeper relationships

- To motivate us to become better followers of Jesus

If you’re intrigued by these titles, why not contact the minister, Steve Summerfield for further details of venue and come and join in?
